WHAT IS TIKA TIRKA

Tika Tirka is an accommodation service for Aboriginal and Torres Strait Islander students aged over 18 to 26 years of age from remote and outer regional communities studying in Adelaide.

Tika Tirka is built and operates on Kurna Land and we reflect our deep respect by dedication of the building name in Kurna language, meaning to sit/stay and learn. We acknowledge the Kurna people as the custodians of the Adelaide region, and we pay our respects to elders past and present.

The 20-bed apartment style facility in the Adelaide CBD accommodates post-secondary students from remote and regional locations engaged in further education and training.
